Terms and Conditions

This is a condensed version. The full document can be viewed on the website at www.iswb.na. Please read these **Terms and Conditions** before registering as a student or making use of any of our services, including course material, Google classrooms, tutors or any other electronic services.

These terms are legally binding agreements between us. By registering on our platform, you agree to be bound by these terms.

We may change these terms from time to time but will duly inform you should it happen.

Enrolling on ISWB Digital

Once you have registered on the platform, the student will be invited to join a Google Classroom set up by the tutor. All worksheets, videos, voice overs, assignments and projects will be published in Google Classroom and remain the exclusive property of ISWB Digital. Students will submit their work via this platform. The course is divided into 10 months (36 weeks). The calendar is shared on the website.

Monthly progress information shared with parents/guardians of the student's progress.

As a student

When you register with ISWB Digital, you will be required to provide the following information:

- Full names
- Cell phone number
- Email address

You will be invited by your tutor to join a Google Classroom for each subject you enrolled for. You will also be added to a WhatsApp group. Should the student not have access to a cell phone, the parent/guardian will be added to the group.

The information you provide must be accurate and complete. You may not impersonate anyone else, choose offensive names or violate anyone's rights.

By registering, and providing your email account, you confirm that you have the consent of your parent/guardian to do so. You will be invited to join your Classrooms once the registration fee and first instalment have been paid.

Fees and payment

You have four options of payment: once off; two instalments; three instalments or a monthly debit order/eft – final date of payment end of October.

Once you have paid registration, you have one month to cancel your course. However, you will be liable to pay for the first four months in full. No cancellation will be accepted after four months. The client will be held accountable for the entire payment. **Please note that cancellation will result in a penalty.**

Our fees exclude textbooks, and the external exam cost. However, all internal exams, monthly reports, term reports, registration of exams, and T-shirt are included in the price.

If payment is not received as agreed, you will be removed from the classroom.

Courses

Students are assisted to help make the right choice. They are also advised on how to make subject choices that will allow them a valid school leaver's certificate, as well as guidance on which course to follow for exemption from university. However, the final decision is the responsibility of the student and parent/guardian.

To provide high-quality education, we may provide links to other websites or resources. You acknowledge and agree that ISWB Digital is not responsible for these sites, and we do not necessarily endorse these sites. Therefore, you agree that ISWB Digital cannot be held accountable for any of the privacy practices or the content of such websites.

Furthermore, you agree that all content on ISWB Digital is our exclusive property and it may not be distributed in any form whatsoever.

However, we are committed to protect your privacy. We have taken all reasonable steps to safeguard the information provided by you, but we do not make any warranty that it is absolutely safe and secure. The information you provided will not be used for anything other than what is stated in this policy.

Rules

1. Students must adhere to due dates. No work submitted after the due date will be assessed and the student will receive no mark. If work cannot be handed in on time, this must be communicated to the tutor ahead of time. No exceptions will be made, and this will influence the continuous assessment mark of the student.
2. All work must be submitted in the right format. Your tutor will discuss the options with you, but it will mostly be a typed worksheet, or you will have to scan and submit your work. If the format is inaccessible and difficult to assess, no mark will be awarded. Consistency is important.
3. No student will be personally reminded or informed that work has been uploaded. Google Classroom informs students of new work, and it is the students' responsibility to check if work has been uploaded.
4. Students are encouraged to communicate if they cannot keep up, if they are struggling or if they feel the pace might be too slow. Teaching and learning require input from the tutor and the student. Please use the communication platforms to converse with your tutor. Compulsory Zoom lessons must be attended. If a student is absent, the tutor must be informed.
5. It is the student's responsibility to catch up on any work that might have been missed. Once again, inform your tutor.
6. Tutors work normal hours, 08:00 – 17:00. That is when they are available to assist students. No tutor is available after hours unless they give permission.

Declaration by parent or guardian:

To be signed by both parents/guardians if applicable.

I have read and understood the content of this application form and all information supplied by me is correct. I have omitted no relevant information. I further undertake to submit myself and my child to the rules and regulations as set by the school code of conduct.
